

## **HMA, INC. Is Pleased to Announce the Launch of On-line Portals for Participating Providers**

**HMA, INC. (“HMA”) will unveil its new website in the coming weeks.**

**The website will feature a new look and offer Portals with advanced functionality for providers participating in HMA’s PPO networks.**

**Providers will be able to securely and conveniently interact with HMA for:**

- **Provider contract and demographics maintenance**
- **Credentialing and re-credentialing activities**
- **Claims re-pricing inquiries**
- **Forms, documents and resources**
- **Service and information requests**

**Additionally, for providers serving HMA’s Health Plan Clients:**

- **Eligibility and benefits verification**
- **Claim status verification**
- **Referrals & prior authorization requests**
- **Evidence of Benefits review**
- **Special services and information requests**
- **Reports and business intelligence**

**This advanced functionality will allow Health Plan Providers to access information quickly, securely and efficiently and save it for future reference without the need to call our customer service lines.**
